Trainer

Monica Ramesh
Program Team
Association for
Stimulating Know
How (ASK)

Ms Ramesh holds a post graduate degree in Social Work. Her training and capacity building expertise focuses on developing management systems related to social compliance standards and decent working conditions. Ms Ramesh has been working extensively with the manufacturing sector engaged in global supply chains, with a special focus on apparel sector since 1998. She has also worked as a lead trainer for the Global Alliance, a program initiated in India by Nike and Gap, and has worked with the ILO to initiate the Factory Improvement program in India. An energetic and forward thinking professional, she is committed to the cause of creating a positive work place that is a "win" for both workers and management.
